

# Family Time

Dear Parents,

For the last four months we have partnered with you each week to have a “Family Time” with your children. This is an important time for you to be able to lead your children through God’s Word. We are thrilled to see the weekly responses of the many families participating.

As Pastor leads us through the book of Acts, we are encouraging our families to read along with the weekly passages he will be presenting during his messages. We encourage your family to choose a day, a time and a place that you can have “Family Time” every week. The three discussion questions for each time are, “What do you see, what does it say and what do you do?” These questions are designed for your family to break down the fundamental parts of each passage and to discuss its application for our lives. We also strongly encourage your family to memorize the scripture provided for each week.

We are excited to be on this journey with you and your family. If there is anything that we can do for you please contact the Children’s Ministry Office at (561) 650-7400, ext. 7455 or [gestornell@fbcwpb.org](mailto:gestornell@fbcwpb.org).

Sincerely,

George Estornell  
Minister to Children and Families
